

Hello my friend! I'm Nelly the Jellyfish and Cecil tells me you are looking for some help to win this year's "Escape the Lagoon" race. I only have some food to offer you. Follow each path from the arrows in the middle of the page. You can take the food at the end of the path with the most numbers in the 11 times table. Don't forget to stick it on your collection card!

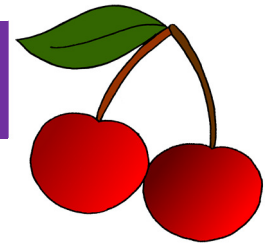

Packet of Crisps
